

## Which landscape painting in this gallery is your favorite?

Once you've chosen a painting, look at it closely and answer these questions:

- What do you see? List three things that caught your attention
  - 1.
  - 2.
  - 3.
- Can you tell what kind of day it is? What is the weather like? How can you tell?
- What would you see, smell, or hear if you stepped inside this painting?
